61110 (a)	On or before July 1, the BOD may adopt a preliminary budget	
(c)	On or before July 1, the BOD shall publish a notice stating all of the following: (1) Either that it has adopted a preliminary budget or that the general manager has proposed a final budget which is available for inspection at a time and place within the district stated in the notice. (2) The date, time , and place when the BOD will meet to adopt the final budget and that any person may appear and be heard regarding any item in the budget or regarding the addition of other items.	We will propose a <u>preliminary</u> budget for the BOD to adopt.  During June we will obtain more information from WM and Ventura County on disposal fees and estimated tax revenues for FY 23-24. We will also finalize event plans and event level budgets and review with the BOD for approval.
(d)	The BOD shall publish the notice at least two weeks before the hearing in at least one newspaper of general circulation in the district pursuant to section 6061.	Section 6061 states that it only needs to be published once. However, there are no newspapers of general circulation published in the district. Is the Acorn an acceptable substitute?
(e)	The budget hearing may be continued from time to time.	
(f)	On or before September 1, the BOD shall adopt a final budget. The general manager shall forward a copy of the budget to the auditor of the county.	
61111 (a)	At any regular or special meeting the BOD may adopt a resolution amending the budget and ordering the transfer of funds between categories, other than transfers from the designated reserve for capital outlay and the designated reserve for contingencies.	
(b)	The BOD may authorize the general manager to transfer funds between budget categories, other than transfers from the designated reserve for capital outlay and the designated reserve for contingencies.
